DuraLabel®

Find the right printer for YOUR job!

Not all products offered by Graphic Products are shown in this catalog. We carry an extensive line of label and sign printers and supplies, laminators, LOTO supplies, spill cleanup supplies and more. If you do not see what you need, please call 1-888-637-3893 to speak with a representative or visit www.DuraLabel.com.

ORDER BY PHONE:
Call 1-888-637-3893 to speak with one of our knowledgeable representatives to assist in finding the right products for your specific needs.

ORDER ON THE WEB:
Visit www.DuraLabel.com/catalog and enter the "SKU" from the catalog in the Supply Order Box. Your item will then appear in your shopping cart.

ORDER BY MAIL:
Send purchase orders to Graphic Products, Inc. P.O. Box 4030 Beaverton, OR 97076.

FREE GIFT:
Receive a FREE Emergency Car Kit when you order a DuraLabel kit (pages 12-16). When ordering online, enter coupon code **CPCK050** in the "Coupon" promotional code box and hit "Update Cart," then proceed to "Checkout Now" to complete your order. See page 16 for more information.

Product colors in this catalog may not accurately represent actual product colors due to slight variations in the printing process. Products shown do not represent actual size. Prices in this catalog are subject to change without notice.

Don't Forget...

Huge Inventory and Fast Shipping!

Our HUGE inventory of label printers, accessories and supplies allows us to ship 99% of orders the same day they are received. Overnight shipping is available if specified and placed by 3 p.m. (Pacific Time). Please call 1-888-637-3893 for details on our shipping information and delivery options.

DuraLabel®

Versatility!

Our DuraLabel printers and supplies are designed to handle almost any labeling requirement. Label in extreme weather conditions, harsh industrial environments, on unusual surfaces and more with DuraLabel printers and supplies. Many times, we work with customers to develop new products to meet special requirements.
Call 1-888-637-3893 for details.

Durability!

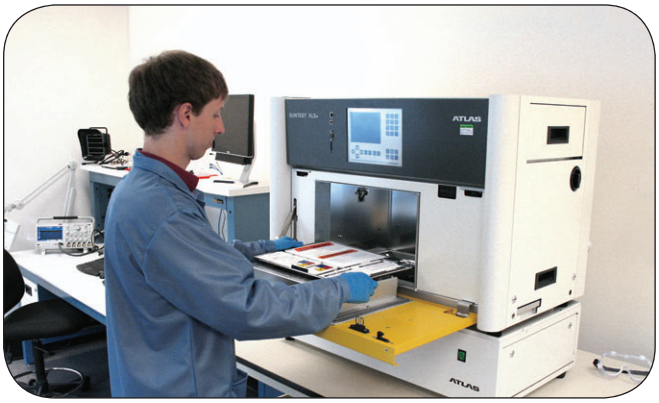
DuraLabel printers and supplies are extensively tested to assure maximum performance. We test the durability and longevity of our labels and signs for extreme exposures to UV-light, abrasion, moisture and even chemicals where they are then tested for legibility. Be confident your labels will survive your work environment. Choose DuraLabel!

Reliability!

With the combination of our friendly, knowledgeable support and the performance of our DuraLabel printers, you'll never regret your choice!

We offer lifetime toll-free customer support. Loaner printers are available if yours should ever need service. Ordering services are available by phone, web or mail.

Be among the many who have trusted and partnered with us!



Atlas Weather Tester measures the ability of labeling materials to resist outdoor conditions and harsh indoor environments.

DuraSuite
Labeling Software

Printing has never been so easy!

DuraLabel's DuraSuite™ Labeling Software includes everything you need to design and print professional-looking signs and pipe markers every time!

- Easy-to-print OSHA, ANSI, NFPA, RTK, NEC and ASHE compliant labels
- Easy to navigate between label design formats
- Capability to save newly created labels
- One license covers an entire facility
- Included with all DuraLabel desktop printers (DuraLabel PRO, PRO 300, 4000, 7000 and 9000 models)

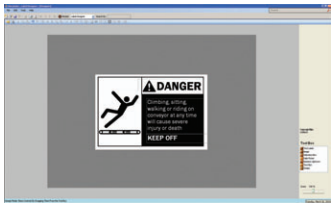
What You'll Find Included on the DuraSuite CD

The following is a list of software programs which may be accessed and utilized through DuraSuite.

Label Design Software

Design labels with provided ANSI symbols.

- Customize size, layout, text and graphics
- Import logos and personal graphics



Arc Flash Software

Print arc flash warning labels in a variety of sizes.

- Customized information
- Save for later access
- Use to print on DuraLabel arc flash die-cut labels with either an English, Spanish or French header.

DuraSuite™ System Requirements

- IT administration privileges
- Windows NT 4.0, 2000, XP, Vista or 7
- 300 MB, CD-ROM Hard Drive; 64 MB RAM Memory

RTK Software

Customize RTK Die-Cut Labels using the RTK software.

- RTK Color Bar & NFPA Diamond Label formats
- Save new labels
- Includes information on 1,700+ chemicals
- Search by chemical name or CAS #
- Control over layout of information

Manual Pipe Marker Software

The Pipe Marking software lets you easily create and customize pipe markers.

- Custom ANSI/ASME compliant pipe labels
- Custom IIAR compliant pipe labels
- Automatic & manual design, setup modes
- Standard & wrap-around pipe label layouts

In addition to the DuraSuite Labeling Software, the following is included with DuraLabel desktop printers:

- 1300+ ANSI-compliant and general-purpose symbols
- Label & sign templates*
  - General-purpose label & sign templates
  - ASME/ANSI pipe templates
  - IIAR pipe templates
- Adobe Reader
- OpenOffice.org software
- dBest Barcode software

*Bundled label & sign templates provided are based on supply widths accepted by DuraLabel printer model.

Mobile Print Station™ 150 XL

Working in more than one location?

The MPS 150 XL is a dedicated label design station that provides maximum portability for DuraLabel printers.

Large Facility? Need to print in the field?

The MPS 150 XL is engineered for durability and ease of use in an industrial environment. The user interface is simple, intuitive, and can be used with minimal training.

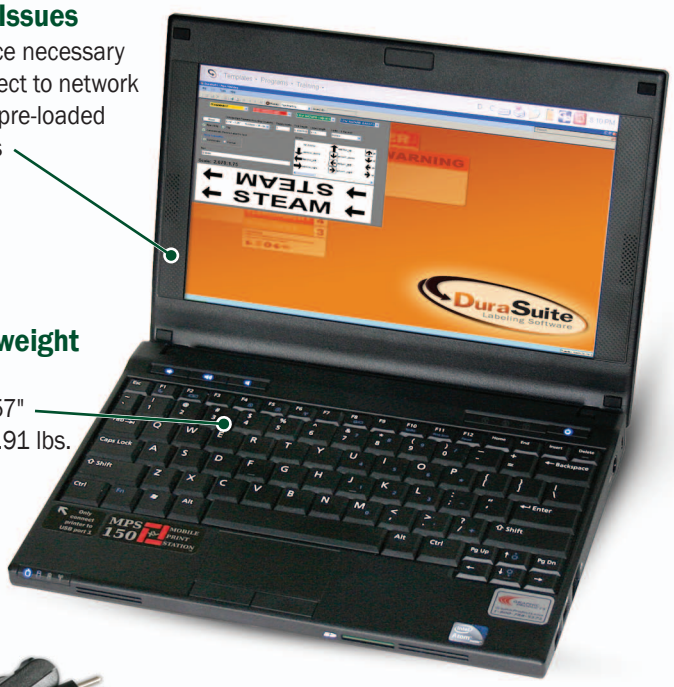
- Works with the DuraLabel PRO, PRO 300, 4000, 7000 and 9000 printers
- Auto-detects DuraLabel printer connected
- Portable and shock-resistant, rugged construction
- 16 GB solid state hard drive
- 512 MB DDR2 RAM memory
- External USB drive for loading templates and for backing up files
- Approximately 3 hours battery life
- Print 500' of labels on a single charge

No Security Issues

- No IT interface necessary
- Cannot connect to network
- Retains only pre-loaded software files

Compact & Lightweight

- 10.1" LED screen
- 10.43" x 7.36" x 1.57"
- Weight: less than 2.91 lbs.



Adaptor
(included with purchase)

Mini Optical Mouse
(included with purchase)

USB Thumb Drive (256 MB)
(included with purchase)

It's fast, easy, and ready to go!

Everything you need is pre-installed:

Bring It On!

DuraLabel: Printers and Supplies for the Safe Workplace.

At Graphic Products we're always up for a challenge. Many of our fifty-plus DuraLabel® specialty supplies were first developed to solve a unique challenge for one of our customers.

Extreme environment? Chemical exposure? Rough surface? Let us help you find a solution. We love a challenge.

1-888-637-3893

Yes, NASA really does use DuraLabel - although not like this.

Click... Print.. Solve...

Other Machines We Offer

In addition to our popular line of DuraLabel printers and supplies, we also offer these KSun portable labelers for smaller jobs and a wide selection of hot and cold laminators for document protection.

KSun LabelShop 2011XLB

The light-as-a-feather 2011XLB works as conveniently in the field as it does in your office. Its PeelGuard trimmer rounds label corners for a professional appearance and provides peeling protection. Ideal for general purpose labeling, including industrial, electrical, laboratory, medical, utility, warehouse and office labeling applications.

Benefits & Features

- Thermal transfer label printer
- 72-key qwerty keyboard
- Weight: 1.9 lbs.
- Unique molded handle for easy carrying
- Print labels from 1/6" wide to 1" wide
- Runs on standard AA batteries or AC adapter

Item	SKU	PRICE
KSun LabelShop 2011XLB	2011XLB	$349.00

KSun 2012XLST

The KSun 2012XLST takes the features of the 2011XLB and adds the ability to print wire wraps and shrink tubes.

The LabelShop 2012XLST is an outstanding desktop label printer, and its lightweight and portability means it's a great machine in the field.

Benefits & Features

- Thermal transfer label printer
- 72-key qwerty keyboard
- Weight: 1.9 lbs.
- Unique molded handle for easy carrying
- Built-in tape trimmer rounds label corners
- Print labels from 1/6" wide to 1" wide
- Runs on standard AA batteries or AC adapter

Item	SKU	PRICE
KSun 2012XLST	2012XLST	$399.00
